

# **Vegan Outreach Potluck**

**Tuesday, March 30, 7 p.m.**

**Eugene, OR**

**Vegan Outreach** coordinator, **Brian Grupe**, travels the country full-time to hand out Vegetarian Starter Kits (VSKs) to students on college campuses. A dedicated champion of animal compassion, Brian braves all kinds of weather to be out in the trenches, talking to students about going veg.

He'll be in Eugene March 29-30 to leaflet at the UO, and new **EVEN** member, **Andrea Kowalski**, is hosting a welcome vegan potluck/food party for him on **Tuesday, March 30, 7 pm,** at her home.

Andrea is new to Eugene and shows great initiative and enthusiasm.  
Let's support her energetic plans!

Please take a look at the evite for details and sign up to attend:
