## CALLING ALL VOLUNTEERS!!!

EVEN has **project opportunities** for those interested in donating about **4 hours per week**.

If you are **veg** and experienced with a veg diet...

if you are **energetic, enthusiastic and friendly**...

and, *most* of all, if you are **reliable**...

we hope you will please consider assuming a more major role with EVEN.

All projects run from **one to three months** and require **excellent communication** skills. If you are skilled in and comfortable doing **phone work** and have up-to-date **computer skills** as well, please let us know.

If we are to continue to keep up with EVEN's rapid growth, we absolutely *must* have **longer-term, dependable, veg volunteers** who are able to commit to a sizeable project or area of responsibility. Might that be you?

I know you have heard EVEN's plea for volunteers before and I appreciate your listening to our request again. Afterall, everyone has jobs, families, children...lives! I understand completely.

If you have the above qualifications and can donate your time and energy, please contact me for more details.
