[Above is a partial list of places to find veg food in Eugene because almost every restaurant can offer vegan options if you ask. It is especially easy to dine on delicious vegan food if you choose restaurants with an ethnic cuisine: Thai, Mexican, Asian, Indian, Middle Eastern, Italian, etc.]

In Eugene, **Chapala Restaurants** have a separate veg menu where the rice has no chicken broth and the beans have no lard. (Just ask them to hold the cheese and sour cream.) **River Road Mongolian Grill** has delicious veg options including tofu! **Ta Ra Rin** (both Eugene and Springfield), **Tasty Thai** and **Sweet Basil** offer a wide selection of yummy Thai vegan options. **Sizzle Pie**, **Pizza Research Institute**, **Laughing Planet**, and others will also give you vegan options. And don't forget more vegan choices at the hot and cold buffet bars inside **Capella Market** and **Sundance** or the vegan sandwiches inside **Red Barn** and **Friendly Street Market!**

Eating cruelty free has never been easier!
