

Dear LIN,

We need your help for an upcoming demonstration in Eugene! Lying nearly naked in large trays and covered with clear plastic in front of signs reading, "Meat Is Murder," PETA members will mimic packages of meat while others pass out leaflets about factory farms and slaughterhouses. The activists aim to demonstrate that all animals are made of flesh and bone, that animals can feel pain and fear, and that when you eat meat, you are [eating a corpse](#)

We still need help passing out leaflets and holding signs (these materials will be provided). Just bring yourself, your family, and your friends! **Please contact Ashley Byrne at 212-274-8247 or AshleyB@peta.org if you have any questions or to RSVP. Please write "Eugene Protest" in the subject line of your e-mail.**

When: Friday, June 25, 12 noon–1 p.m.

Where: Southeast corner of E. Broadway and Willamette streets, Eugene (See this [map](#).)

Please cross-post this e-mail message on Facebook, Twitter, and any other social-networking site, and forward it to others who might be interested in standing up for animals destined to be killed for their flesh. Visit our [Action Center](#)

Thank you for all that you do to help animals!
