

Dear EVEN Supporters and Friends,

We are writing to let you know of an effort that the Eugene Veg Education Network (EVEN) has decided to support. This is an ambitious effort to bring plant-based nutrition into mainstream, led by Nelson Campbell and his father, Dr. T. Colin Campbell. We believe this has great potential, and we want to do what we can to provide our early support.

As you probably might already know, Dr. Campbell is known around the world as a leading science advocate of plant-based nutrition and is the author of the best-selling book, *The China Study*.

Please take a look at this YouTube video, <http://www.youtube.com/watch?v=BjNi8MFqQoY>

and share it with as many of your friends as possible. We want to do our part to help make this video go global on the web.

Also, go to www.campbellcoalition.com

to see the inspiring story that has won over our hearts.

We hope you can get behind this noble effort.

Thank you!

Lin
